Josh: Just wanted to remind everyone about the training email I sent out.

Jessica: Hi everyone, nice to meet you all, I'm the Division Manager for Student Government Services. I wanted to offer to meet with you all one on one in order to ease the transition and answer questions. Sending out emails this week with more training materials. If anyone has questions feel free to ask.

Patti: Just wanted to say congrats and do a quick introduction. My name is Patti Solomon. My role is the Senior Division Manager for Student Union Services, so I help support the operations of the union so office access, locks, everything that you'll need to know on that end. We'll go over everything in nuts and bolts. I also have the opportunity to work closely with ASUCLA Event Services and Jessica's team, and the accounting team. So I look forward to meeting with you all and helping you all achieve your goals for this year.

Fernando: Hi all, nice to meet everyone. I am the Student Government Support Manager, I work under Jessica and we work to support you as best we can. A couple things we need to point out, we need to make sure we have your signature on file so you have signatory power. It will be included in an email we send out to all of you. The other important thing is the hiring process, we need to get everyone hired as soon as possible. I will need your name, your UID, and your email so if everyone could email those to me we can go from there.
