The Service Referendum of 1990

May 2 and 3

Proposition for the creation of \$3/quarter in funds to support student-initiated service programs. Approval of this referendum would:

- Convert \$1.50 in current ASUCLA Student Union Fees to Undergraduate Student Government Fees designated for service programs as outlined in this referendum.
- Increase by \$1.50/quarter the Undergraduate Student Government Fee
- Designate \$1/quarter per student to be allocated by the Community Activities Committee which funds student initiated community service programs
- Designate \$1/quarter per student to be allocated by the Campus Retention Committee which funds student initiated campus retention programs
- Designate \$.50/quarter per student to fund the Community Service Commission
- Designate \$.50/quarter per student to fund the Student Welfare Commission

I support the above stated proposition to create more funds for student service programs.

I oppose the above stated proposition to create more funds for student service programs.
