Shall undergraduate students support the successful retention and graduation of UCLA undergraduate students by establishing the Academic Success Fund through an increase to the Undergraduate Students Association membership fee of \$5/quarter? The Academic Success Fund shall be designated to support: \$3 to the Campus Retention Committee to provide student initiated retention services; \$1 to the Undergraduate Students Association Council (USAC) Programming Fund for cultural and educational programs; \$0.50 to the USAC Community Service Mini-Fund for community service programs; and \$0.50 to the USAC Academic Affairs Commission for advocacy efforts and programming on academic-related issues.

The above ballot language was approved by USAC at its May 20, 1993 meeting.

The Academic Success Referendum appeared on the ballot of the Undergraduate Students Association 1993 Primary Election which was held on May 5 and 6, 1993. The referendum was approved by the undergraduate students by a vote of 2,890 in favor (58.43%), 2,056 opposed (41.57%).
